I understand that athletes are to remain with their squad and under supervision of their coach when attending an away contest.

I understand the athletes will be released to the parent(s)/designated adults by the coach upon presentation of a copy of this release form at the contest.

Should a parent approach a coach at an away contest and request their son/daughter to ride home with them, the coach shall agree, upon receiving written release of responsibility for the athlete.

In no case will an athlete be allowed to ride home with a student.

I understand that the ability of coaches and other school officials to properly supervise students may be impaired when students are not under their direct control. I agree that coaches should not be held accountable when students who are authorized to use alternative means of transportation do so. I understand that coaches reserve the right to refuse requests by players to leave their teams if, in the coach's opinions, it serves the best interest of the individual or the program.

I understand by signing this release form it will release Rainier Christian Schools and its employees and officers from any and all liability for any adverse results that may occur.
