Walk-A-Thon

Please remember to turn in your Walk-a-Thon pledges to the office by next Wednesday, 26th. We are planning to tally and purchase prizes by the end of next week.

Again, thank you for supporting our school through this fundraiser. ALL of the funds raised goes right back to our students in the form of special programs and equipment (like our new computers).

Coats

With the change in the weather, please make sure that you send a jacket to school each day.

Illness

Cold and flu season is here. Please keep your child

home when they are ill. "Masking" a fever with medication is not acceptable-they are still contagious and by noon are miserable. Please remember that children need to be fever-free for 24 hours before they return to school. Same rules apply for the stomach flu. 24 hours "throw up free" before they return to school.

Sign-Up for Conferences

Conferences will be held the first week of November. Sign-up sheets are posted on the library door. Report cards will be handed out during conferences. No school on 11/4, but childcare is open.

Scholastic Book Fair

Our annual book fair is just around the corner! Nov. 1-4th our library will be transformed into a sea of kids' favorite books that will be for sale. This is a great time to purchase some early Christmas presents.

Monday, October 31st we will be setting up at 2pm. Then during Nov. 1-4, the book fair will be open before & after school and during lunch. On Friday, Nov. 4th it is our hope that the book fair will be open from 8-3.

We are still in need for volunteers to help make this event spectacular for the kids. There is a sign up sheet posted on the library door.

Snow Day Protocol

We have a few people that drive the routes of all of our RCS campuses on mornings that undesirable weather has occurred. The decision to delay or cancel school is determined as early as possible. Once a decision is made to delay or cancel school the news stations are notified as well as schoolreport.com. Mrs. Sinclair also changes the voicemail if possible. We encourage you to look at the stations or call the school to find out any delay information. The

school does not call each family to let them know about delays or cancellations. However, if we must close early on a day that we are at school due to snow we will email and call each family. Our start time if delayed, will always be 10:00 AM. If delayed, children may begin to arrive at school at 9:45 AM and will go directly to their class. Please note that morning childcare is not available. Please send a cold lunch to school on delayed days as well.
