### Grandparent's Day

Our annual Grandparent's Day is right around the corner! This day is set aside to spend time with our grandparents at school.

Each student will be performing on stage with their class and they will be doing special activities in each of the classrooms.

If your child does not have

a grandparent that will be able to attend you can invite another special adult in their life perhaps an aunt, uncle, or neighbor. Parents can also come in place of grandparents.

Grandparent's Day will begin at 8:30 and conclude at 11:15. Coffee and refreshments will be served beginning at 8:30. On this special day grandparents or guests can take their child out to lunch and spend the remainder of the day with them. For those that do not leave for the day activities will be provided.
