

Is what I do and say...
True ~ Helpful ~ Inspiring ~ Necessary ~ Kind

Welcome to Third Grade!

I hope you had a wonderful summer filled with fun activities, growing experiences, and sleeping in. Now that the beginning of the school year is just around the corner, I hope that you are preparing for exciting times ahead! To make the transition from summer vacation to school easier, you will want to gradually get to bed earlier every night until you are at a reasonable bed time the week before school starts.

God continues to teach me more about Himself and I am excited to share what I've learned with you! As we seek Him in all that we learn, I am sure that we will discover more than we ever imagined. I can hardly wait to begin this year and I hope to see you in the next few weeks at work parties, dropping off your supplies, or just stopping in to say "hi". Remember to write your name on the bags you bring in.
