### Principal's Pen...

**“Train a child in the way he should go, and when he is old he will not turn from it.” Proverbs 22:6 (NIV)**

Biblical Parenting University has a website with parenting information, tips, and classes that are available to you as a parent of a student enrolled at Rainier Christian Schools at a reduced cost. Many of the staff attended some of these classes at our October teacher in-service in Tacoma. RCS purchased a site license to enable our staff to review the information they received from those classes. It is with pleasure that this information is offered to you, as a parent, as well.

It is free to visit the site. They do have a video clip introduction on the home page that gives a concise overview of their philosophy of training. The instructors are very entertaining and the information is very valuable. There are also some YouTube clips that are pretty humorous and give an insight into the format of the classes. The addresses for those clips are:

[http://www.youtube.com/watch?v=eqMnnewVjx4&feature=player\\_embedded](http://www.youtube.com/watch?v=eqMnnewVjx4&feature=player_embedded)  
<http://www.youtube.com/watch?v=decFySR7Hmw&feature=related>

The online format allows you to visit and absorb the information at your convenience. The website is [biblicalparentinguniversity.com](http://biblicalparentinguniversity.com) and the site ID code is **WA44041**. This code works as a coupon to purchase each class at a 75% savings...you pay ONLY \$25.

I am sure you will be blessed and encouraged as a parent from all the information, ideas and strategies that you could immediately put into practice and add to your success as a parent. Our hope is to provide a consistent framework of training and discipline for your child that extends from your home into their school. These classes will help provide consistent language and strategies that could be used at home as well as at school.

Don't forget - if you *ordered* hot lunch for your student(s)- tomorrow is the day for taquitos!
