

Children's belongings

Your child should wear comfortable clothing and free of complicated fasteners. Preschool activities can be very messy and children need to feel that they can express themselves freely; which sometimes means getting very dirty. Please make sure the clothing can too! On very cold days, hats, coats, boots and mittens are needed! We do go outside to play, even in the rain and snow. We ask that you provide extra pants, shirts, socks, and underwear for your child. A blanket for sleeping is also required. It will need to be taken home on Friday for washing and brought back on Monday. **Remember to label everything.**
