

## **Medications**

Medication may be dispensed at school but must be in the original container. A medication form must be completed and signed upon arrival.

### **Prescription Medication**

Prescription medication can only be administered from a container with your child's name on it, amount and frequency to be given. You must also complete a medication form.

### **Non-Prescription Medication**

The following non-prescription medications will be given with parental consent with the over the counter medication form:

- \*Non-aspirin fever reducers/pain relievers
- \*Antihistamines
- \*Decongestants
- \*Anti-itching ointments or lotions
- \*Diaper ointments or powders
- \*Sunscreen

**Sunscreen lotions, and diaper rash ointment** will only be administered if a completed medical authorization form is on file.
