

Registration

The child must be at least 24 months upon enrollment, and not older than five years of age. Admission is “first come first served” depending on availability. Registration forms need to be completed and submitted along with the registration fee to the office to reserve a space for your child. **The state immunization form must be completed before your child can attend.** Rainier Christian Preschool and Childcare Center has a 1 hour trial period for new enrolling student that is of no charge at the center’s convenience.

It must always be understood that attendance at Rainier Christian Preschool and Childcare Center is a privilege and not a right. Any student and family who do not conform to the school’s standards of conduct and/or who is not willing to adjust to our program and regulations must forfeit that privilege. Withdrawal requires a five day written notice.

The registration process is conducted annually. In February, current families may take advantage of early registration before classes are opened to new families. Rainier Christian Preschool and Childcare Center is a division of Rainier Christian School District and therefore families with two children in any of our programs will receive the second child discount.
