

Special Goals

To nurture a positive sense of self worth, in relation to how special God has made us.

To give an opportunity for physical, social, mental, and spiritual growth in group experiences. and with equipment not normally at home.

To provide a foundation for later learning through practice in following directions and encouragement in good listening habits.

To stimulate eagerness to learn about the wonderful world around us through:

- learning to know and love God who make all of creation;
- learning about number activities;
- learning about language in oral expression and reading readiness;
- learning about God's world through nature walks, field trips, and simple experiments.

To give opportunity for interaction with others of the same age in a Christian environment.

To give a sense of achievement at the child's own level of accomplishment.

To encourage creativity and self-expression through activities in art, music, drama, exercise and sensory play.

To lead up to the academic Jr. Kindergarten and Kindergarten programs offered by Rainier Christian School District. the preschool program however is not a prerequisite to that program.
