

Weather Closure

Should weather or other conditions outside of our control require us to close or be on delay, it will be announced as Rainier Christian Schools on radio or television. As we receive notification of any change in the regular schedule our voice mail will be updated with the current information. (425.226-4640) In most instances childcare will follow the same schedule as the school openings. Example: If school is on a “Late Start” the childcare center will not open until 10:00 a.m. and preschool classes would be cancelled. If the school is closed, childcare will most likely also be closed. This campus could be closed because of adverse weather conditions across our district. In that case, with the safety of our staff in mind, we will attempt to come in to the center. If conditions are favorable we will call our regular fulltime families and let them know the status of the center. Also check the internet at **schoolreport.org**.

KK and Childcare is **ONLY** available for families paying the fulltime monthly rates.
