

Courtesy, the Quiet Road, and Parking

Each year, we have a unique opportunity to show the love of Christ to our neighbors on the private road, also known as The Quiet Road. For safety and courtesy, the speed limit on 174th Ave SE is **15 mph**. PLEASE observe this carefully. The road is somewhat narrow, and bushes impair visibility in places. Going faster than 15 mph is a source of irritation to our neighbors and a risk to their children and pets. Please remember that **NO PASSING** is allowed on The Quiet Road. This applies no matter where you are on the road. Once on campus, please observe parking etiquette:

- Speed limit on campus is 5 mph.
- NO driving in the bus lane (in front of the library)
- NO walking across parking lots. If you park in the upper lot, use the sidewalk. If you park in the lower lot, stay outside the yellow line.
- Park one car at a time and fill the next available slot. Your child WILL be able to find your car! :-)
- Students must stay in the car until it is parked in an appropriate space. Do not get out of the car while waiting to park.
- In both the upper and lower lots, park as shown in the drawing:

Keep in mind that parking will seem horrendous the first week or two of school. Invariably it gets better. Patience and gentleness will go a long way during this time.

Make sure that everyone is aware of the rules. They are in place to insure the safety of our students and families at school.
