**MV-Kaleidoscope Kids**

We would like to welcome Mrs. Connie Gaidjergis as our KK Summer Camp Counselor. Miss Connie is very excited to join our team and has a lot of fun activities planned for the kiddos. She will be implementing some of Miss Danielle's regular activities as well as bring her own special flare to the program. Miss Danielle might pop in now and then thru the summer but she is headed off to Grad School and will be very busy with that. We send her off with lots of love and prayers for her success.

Please take a look at the attached summer schedule for field trips and let us know if you would like to be a chaperone. You will also receive reminder notices as we dive into each week. Miss Connie will have a list of movies she plans to show and you can pre-approve what your child will be viewing. Please be on the look out for further information as we get started on our summer camp fun. ~Mrs. Baca
