- 12-16** **Pirate Week**
 7/16- Treasure Hunt
- 19-23** **Water Week**
- 26-30** **Sports Week**

Transportation Week Update...

What a great time we had last week with the kiddos going on a school bus ride down the quiet road and doing an emergency exit drill through the back of the school bus. What fun!

We also had the Real Life Church Train here on Friday for a "Fun Day" with our other two campuses joining us for a great day full of activities. and even though it was 90+ degrees we had fun in the sun and water activities.

All in all it was a great way to end our Transportation Week.

Gardening & Cooking Time with Mrs. Dixon....

This has been a great time for the kids to learn about gardening and how God has created things and the process to make them grow. Check out the garden in front of the pre-school....things are beginning to pop up.

I can't wait to sample some of their yummy creations.

PLEASE SLOW DOWN!

Even though it is summer we need you all to drive the speed limit on the "Quiet Road" (15 MPH) and campus (5MPH).

Our kids are out playing and sometimes on walks on the quiet road. Their safety is our priority.

WARM WEATHER IS HERE!

Please remember to send your child with a swimsuit and towel daily so they can go in the sprinklers. **Don't Forget the Sunscreen!**

Our new rates were effective July 1, 2010....please contact the office if you are not sure what your new rate is.

Thank you
