ATTENTION SHUTTER BUG PARENTS!

If you are the parent that is always at campus, on a field trip or at a concert with your camera out and would like to have your photographs in our yearbook this year, you are in luck. We have a community upload site where you can upload your photos from your computer into our yearbook program. (Please remember that your child is not the only photo we would like to see in the yearbook.) So if you have a photo with 3 or more kids at a school function that you think is yearbook worthy, just log onto www.community.lifetouch.com and enter QDKTLC as the code. It takes work to register with the system but once you do, it is really easy.

If you have any questions or concerns please call Gretchen Johnson (425-698-3295) or text Laura Young (360-200-3884).
